Our mission is Empowerment.

We empower our customers to focus on their core businesses by helping them relay critical communications to their customers. As a team, we empower each other to make real-time decisions that meet quality and delivery standards, every time.

Our Values

We deliver on our mission by staying true to three fundamental values:

Lead From the Heart

Empathy is our superpower. We listen to understand and see things from the perspectives of others.

Pursue Excellence

Pursuit is always in motion — learning, growing, driving toward a goal. We strive to be in the moment and bring the best version of ourselves to each situation.

Be Remarkable

In our line of business, trust is everything, and there is no greater way to build trust than by going the extra mile.

Our Services

Secure, cost-effective mailing solutions that deliver

We're here to save money, solve problems, and deliver consistent long-term value through innovative, technologically-based, confidential solutions.

Project Management End-to-end ownership of your mailing program, from planning through postal acceptance, with a single point of accountability.

Direct Mail & Marketing Communications Targeted, data-driven campaigns that engage audiences and drive measurable results through precise targeting, creative design, and seamless production.

Compliance Communication Secure, fully managed mailings for healthcare and financial disclosures, member ID cards, legal notices, and government documents—handled with meticulous accuracy and absolute confidentiality.

Printing Full-color printing from postcards, booklets, and brochures to billing statements, built for the mailbox and optimized for USPS compliance.

Presort Discounts Advanced postal optimization and USPS-certified presorting to unlock the deepest available discounts while maximizing delivery speed.

Kitting & Fulfillment Comprehensive assembly and distribution services paired with access to specialized USPS programs, including Certificate of Mailing, Certified Mail, and International Mail with Tracking, delivering added accountability and postage savings.

Project Management

Expert Project Management from Start to Finish

Our dedicated team takes full ownership of your mailing, printing, and presort initiative — serving as your single point of accountability from beginning to end.

Single Point of Accountability We own your project from data intake through postal acceptance so you can stay focused on your core business.

Timeline Coordination Across in-house production and third-party vendors keep every job on schedule and avoid costly delays.

Pre-mail Audits & Data Verification Minimize errors, postal penalties, and rework through comprehensive quality checks before dispatch.

Performance Review & Optimization Post-campaign analysis and process improvements make every subsequent mailing better than the last.

Direct Mail & Marketing Communications

Make a Tangible Impact

In a digital-first world, direct mail and marketing communications cut through the noise. We combine precise targeting, creative design, printing, and mailing into a seamless process to ensure your message arrives on time, every time.

By leveraging sophisticated data analytics and industry-leading tools, we help you reach the right people with the right message at the right moment.

Our Direct Mail Process

Audience Targeting & List Optimization Sophisticated data analytics, NCOA updates, de-duplication, and demographic filtering to reach the most responsive segments and minimize waste.

Creative Execution & Personalization Variable data printing customizes text, images, offers, and QR codes per recipient, dramatically improving engagement and response rates.

Production, Insertion & Fulfillment Full-service print, insertion, presorting, and postal acceptance all coordinated for maximum efficiency, compliance, and postage savings.

Tracking, Reporting & Optimization Real-time delivery monitoring and comprehensive performance reports drive continuous improvement and stronger ROI for future campaigns.

Compliance Communications

Secure & Accurate Mailings for Regulated Industries

Compliance mailings require meticulous attention to detail and absolute trust. Metro Presort delivers fully managed, secure production and mailing solutions for healthcare, finance, legal, and government with confidentiality, accuracy, and on-time delivery guaranteed.

Our experienced team understands the stringent requirements governing compliance communications. From HIPAA guidelines to postal rules, we navigate the complexities so you can focus on your business.

What We Deliver

SOC 2 Type 2 & HIPAA Compliant Controlled-access facilities with continuous monitoring, employee privacy training, and full chain-of-custody tracking.

End-to-End Managed Production From secure data processing and printing to fulfillment and mailing — every step handled with encryption and restricted access.

Guaranteed On-Time Delivery Rigorous project management and real-time tracking prevent missed deadlines and costly compliance breaches.

Industry-Specific Expertise Patient statements, legal notices, insurance documents, financial disclosures all handled with precision and professionalism.

USPS-Certified Presort & Optimization Coordination with USPS for proper class handling, postage optimization, and full postal compliance.

Printing

Full-Color Printing Built for Your Workflow

We specialize in printing services designed specifically for direct mail and marketing communication campaigns. From vibrant full-color booklets and postcards to billing statements, we produce high-quality print pieces built to engage recipients and perform in the mailbox.

Full-color Printing Postcards, booklets, brochures, inserts, catalogs, letters, statements, and promotional flyers on a variety of paper stocks and formats.

Variable Data Printing (VDP) Personalizes text, images, offers, and QR codes per recipient for higher engagement and response rates.

Integrated Finishing Folding, trimming, insertion, barcoding, and presorting, all under one roof for a seamless campaign.

Quality Assurance & Postal Compliance Rigorous QA inspects print quality and USPS formatting requirements before every mailing.

Presort Discounts

Optimize Postal Costs. Maximize Delivery.

Our certified facilities and cutting-edge software qualify your mail for the deepest USPS discounts while achieving the fastest possible delivery. Contact us for a customized savings analysis within 48 hours.

How It Works

Postal Strategy & Rate Optimization Customized postal plans identify savings opportunities, guide class selection, and leverage USPS Workshare programs and automation discounts.

Sorting, Bundling & Tray Preparation Automated sorting by zip code, carrier route, and delivery point sequence unlocks maximum presort discounts and ensures efficient postal handling.

Address Management & Data Hygiene CASS certification, NCOA validation, and duplicate removal keep your lists clean, deliverable, and free from costly address-related penalties.

Reporting & Savings Tracking Comprehensive postage cost reports, discount reconciliation, and delivery outcome tracking provide full visibility into your return on investment.

Project Planner
